

ARTCO GALLERY

OLIVER CZARNETTA

The work of about a hundred sculptures, created in the seven years from 2001 - 2008, consists mainly of human heads shown from the outside. Ultimately the perspective was not enough for Czarnetta, so since 2006 starting with his series SPEKTRUM he has been trying to look inside the heads as if they were inhabited houses.

For full details and larger images, please see the end of this document.
