For further information about Jelly Green

Born in Ipswich in 1992, Jelly's talent caught the attention of artist Maggi Hambling at the age of 16, and has been her protégé ever since. Her paintings are in extensive collections around the world, including Europe, Australia, the US, Middle East, New Zealand and Asia. Branch Arts are delighted to work with Jelly Green and offer new works directly from her studio following our Introducing feature, September 2020.
