THEASTER GATES: SHOP TAKEOVER

June 10–July 2, 2022

Gagosian Shop, Burlington Arcade, London

Theaster Gates is taking over the Gagosian Shop in London’s historic Burlington Arcade on the occasion of his 2022 Serpentine Pavillion, *Black Chapel*, and his exhibition at Gagosian, Basel, titled *ASHEN*. For the takeover, Gates created an immersive environment in which visitors may explore his wide-ranging practice.

The display includes wall and floor sculptures featuring a range of clay vessels—tea bowls, water jars, sake cups—forms that are foundational to Gates’s art making. Downstairs, the bottom floor of the Shop has been transformed into a reading room where visitors can browse a curated selection of books that have influenced the artist, with subjects ranging from urban planning and pottery to the Russian avant-garde. Two limited-edition vinyl records produced by Gates and his musical ensemble the Black Monks are also available.
