VISSIO - BIO

VISSIO

Formerly known as Nouvel Limited, VISSIO is a platform for unlimited experimentation. VISSIO is a collaboration between designers, artists, and architects with Nouvel Studio artisans to realize unique and limited-edition pieces that shatter boundaries between art and design. VISSIO pieces reinterpret glass to challenge and ignite the relationship between concept, form, and utility — beautifully.

Vissio was founded in 2017 by Nouvel Studio together with Hector Esrawe, Brian Thoreen and Emiliano Godoy.
