

STEPHEN FRIEDMAN GALLERY

DAVID SHRIGLEY

British artist **David Shrigley** is best known for his distinctive drawing style and works that make satirical comments on everyday situations and human interactions. This new series of unique colourful works on paper are typically deadpan in their humour and reveal chance utterings and snippets of over-heard conversations. Portraying common objects, animals and daily occurrences, these works are characteristic examples of Shrigley's darkly humorous practice. All works are sold framed.

For full details and larger images, please see the end of this document.
