

Elisa Bo

Elisa Bo is a French artist, designer and entrepreneur, renowned for her unique ability to capture and encapsulate the abstract beauty and spiritual presence of ancient walls. In just a few years, Elisa has established herself as a leading artist and designer in her field, catching the eye of discerning interior designers, architects, collectors, celebrated photographers and brands with whom she regularly collaborates.

Her creative approach involves the use of traditional materials and innovative techniques, allowing her to highlight the intricate beauty of impermanence and imperfection. Elisa's works celebrate the subtle elegance of organic textures and colours that are often overlooked, raising awareness of the value and allure of materials that evolve and transform over time.

The Spaceless Gallery fosters meaningful connections by bringing contemporary art into the unique environments we curate. Founded in Paris and operating between Europe and the United States, we represent a roster of talented international artists across all mediums.

Specializing in art beyond traditional gallery walls, we help collectors build their collections and interior designers elevate their projects, creating harmonious spaces where art and design seamlessly blend. We craft immersive experiences in private homes and high-end locations. Recent collaborations include exhibitions at Bergdorf Goodman, The Invisible Collection, Holly Hunt, and installations with designers like Chloé Nègre and Gilles & Boissier.

Guided by a nomadic philosophy, we envision art without borders – spacelessly.
